## How to Use KCAI Student Accident Insurance

When seeking medical treatment for an accident, it is recommended that students share insurance information at the time of service directly with the medical provider. Students may use the insurance ID card, or refer to the policy number SR2014MO-P-053423.

Because each provider has their own billing procedures, there are typically two payment options.

1. Pay out of pocket at the time of service, or billed at a later date, and submit a claim form online for reimbursement from the insurance company.
2. The medical provider bills the insurance company directly.

Claim forms, insurance ID cards, a summary of benefits, as well as a list of frequently asked questions can be accessed online at <http://4studenthealth.ascensionins.com/>.

If you have any questions, please contact the Dean of Student Affairs at 816-802-3397.

# HEALTH CARE OPTIONS

## Services Available

- Treatment for general illness/injuries
- Vaccines/Preventative Services
- Testing
- Allergy Injections

Mon-Tues from 8am to 5pm

Students must bring their own antigen and epipen. *No allergy shot will be given if the student does not have their epipen. Allergy injection recipients will be required to wait in the office for 30 minutes after the injection to evaluate any reactions.*

## Neighborhood Walk-in and Family Care

The Neighborhood and Walk-in Family Care clinic is located on the Rockhurst University campus. It is staffed by medical doctors and nurse practitioners.

5151 Troost, Suite 200  
Kansas City, MO 64110  
816.237.1616

**Walk-ins and scheduled appointments available**

Monday – Friday | 8:30am – 5pm

This facility accepts all major insurance plans. Garage parking is free.

Students are advised to travel by bus or car to this location rather than walking or by bike.
